# FOREWORD

Justice J.B. Koshy (Retd.)  
National President

The world is facing a very unprecedented problem due to COVID-19. About one crore people all over the world are affected and about 5 lakh people died. India is very seriously affected. Apart from the virus affected people and their relatives entire nation is in distress. Economic recession is in the highest Unemployment increased due to lock down, manufacturing activity is in standstill. Even we cannot go to churches to worship. In this period of distress by the grace of God - Indian YMCA under took lot of relief activities and its projects were very active in relief activities. Supplying food packets to the needy, face masks, sanitizers etc were done through head office of NCYI and National Projects. Many YMCAs also undertook many charitable programs in association with central, state, and local self governments. YMCA volunteers were in the forefront in relief activities throughout the nation. By Zoom Meetings YMCA members gave confidence to the people. Several YMCAs Guest House were given for quarantine purpose. Yes we have done what Jesus taught us. As a Good Samaritan Indian YMCA did it best and doing it now.

I am thankful to all who cooperated with us in relief activities. I hope that vaccine will be invented soon to check this menace. Of course financial difficulties are now faced by NCYI but we have faith in God and soon things will become normal. Let us pray to God to do wonders as nothing is impossible for Him. Again thanking everybody for the help rendered in the charitable activities in this period and with prayers I remain. May our lord and savior bless us all.

# YMCA Youth Centre, Bhimtal

YMCA Youth Center, Bhimtal carried out relief work in and around Bhimtal Development Block, Uttarakhand. With support from NCYI, the Centre identified people who are physically challenged, aged and migrant workers. Government officers helped in identifying the beneficiaries. # YMCA Boys' Division Tirupattur and Camp Centre, Yellagiri

The relief service COVID-19 of YMCA Boys' Division, Tirupattur and Camp Centre, Yellagiri was an eye - opener to many social realities which were existing in the area.

The Youth volunteers and teaching staff were involved in identifying the vulnerable groups, mobilized food resources such as rice, dal, vegetables etc. recognizing the service of YMCA, the local

government authorities extended full cooperation by giving authorized permit to COVID-19 services in and around Tirupattur and Yellagiri.

Nomadic people (Narikuravars/ Gypsies) are one of the indigenous groups who have settled in Tirupattur for the past 30 years. YMCA extended its services by providing food grains, groceries and food packets. Through the relief service of COVID-19, YMCA Boys' Division reached 63 persons living on the streets, providing them with food packets daily.

The best experience during this implementation process was that the ordinary people who were from the poor communities acknowledged the service of YMCA and participated enthusiastically in the service of YMCA to the extent by donating the food materials which they received through PDS shops for their livelihood.

# Human Interest Stories

## YMCA Multi-Sports Complex, Faridabad

Autorickshaw driver Ramashery (not his real name) has been forced to rely on cooked food and food kit (ration) provided by the YMCA as his income stopped.

Ramashery an autorickshaw driver from Palla, Faridabad was in desperate need of passenger (savari) as he had run short of money to purchase milk and essentials for his three children. He hails from Allahabad, UP and he is living in Faridabad since 2015 with his family. He couldn't make any kind of income from 25th March till 15th of May 2020 due to COVID-19 lockdown in Faridabad. He and his family depended on the food provided by the YMCA from the third week of April 2020.

"Earlier I used to earn Rs.500 to Rs.700 per day. Since the lockdown started I didn't have any money to feed my family. YMCA helped me to survive during this unprecedented time of our life. We are thankful to the YMCA and its volunteers for providing food to my family", says Ramashery.

He lives along with his wife and three children in a pavement of Sector-33, Front of IP Gate, Aetmadpur, Near Palla, Bypass Road, Faridabad. He works more but earns less. The lockdown has impacted him terribly. Although he was willing to work hard, the situation has prevented him for an honest living. The cooked food supplied by the YMCA helped Ramashery and his family overcome hunger.

## YMCA Health & Healthy Living Centre, Vellore

Rajesh\* (not his real name) who hails from West Bengal was undergoing treatment at Christian Medical Center (CMC) Vellore. Doctors announced that it is time Rajesh can return home since his treatment is complete. Rajesh and his family were excited to return home and packed bags and was looking forward to the journey with anticipation. Unfortunately, before his departure date lockdown was declared. Like millions around the country, Rajesh and his family were stranded far away from home. The eating joints were all closed and so also grocery shops. Surviving the lockdown is one thing, but having nourishment post treatment to regain his strength was another. Now with the lockdown in place the situation became critical not only for Rajesh and his family but all those who were sheltered in CMC's low-cost shelter called 'Chatram'. Chatram shelters people from other states who had to stay at Vellore for the long-term treatments at CMC. Now with the shops closed, CMC which used to provide one meal a day, found it difficult to source another meal for the Chatram lodgers.

YMCA Health and Healthy Living Centre, Vellore came forward to supply lunch to the lodgers. Rajesh and all others at Chatram were relieved when cooked meal was supplied to them by the YMCA. This arrangement was made for about 30 days. Rajesh says gratefully "I don't have to worry about my next meal." The relief was clearly visible on Rajesh smiling face.

Note: YMCA Health and Healthy Living- a National Council of YMCAs of India project at Vellore additionally provided breakfast to Municipal Corporation Sanitary workers, face masks to zone 4 sanitary workers and primary health care workers.

## ***YMCA Programme Centre, Kurnool***

*Mr. Valmiki\* (not his real name) is a migrant worker from Chitoor and was undergoing treatment at Kurnool. As part of treatment Mr. Valmiki was under high dose of antibiotic medicines. Mr. Valmiki required full meals to go along with the medicines. The sudden lockdown put him in tight spot. He was thinking of discontinuing the medicine since there is problem to access food. With those thoughts in his mind Mr. Valmiki shifted to Government facility at Kurnool.*

*YMCA Program Centre-Kurnool, a project of The National Council of YMCAs of India arranged to supply cooked meal for the inhabitants of the government shelter.*

*Mr Valmiki continued with his medication without break while YMCA Program Centre provided hot cooked meal every day. Mr. Valmiki appreciates the noble gesture of the YMCA and their timely help.*

*YMCA Program Centre- Kurnool continued to serve cooked meal to the government shelter for more than 20 days and toothpaste, toothbrush and soap was distributed too.*

*A letter appreciation was received from the authorities appended herewith.*

## ***YMCA Boys' Division, Tirupattur and Camp Centre, Yellagiri***

*Mrs. G. Taralakshmi(not her real name) a widow lives in a village called Karupanur, Tirupattur with five daughters and a son. She is running a petty shop with a stock worth of Rs. 2000. While her children studies in government school she manages her petty shop from which she gets about Rs. 100/- to 150/- per day to run the family. This amount is not enough for Taralakshmi to manage the basic requirement for her family. In addition she has the burden of paying rent both for her family accommodation and the shop.*

*The lockdown declared due to COVID19 further complicated her family life. Her petty shop was closed due to want of further stock. She procures stock from a wholesaler located 3 kms away. Lack of public transport means Taralakshmi had no option but to close her petty shop. This resulted in lack of food for the family. At this hour YMCA Tirupattur provided her with grocery items and food packets. This support sustained her family.*

## YMCA distributes 1 lakh ration, food packets

It is providing food, safety kits in collaboration with district and local officials

STAFF REPORTER  
NEW DELHI

The Young Men's Christian Associations (YMCAs) on Wednesday crossed the 1-lakh mark in the number of ration and food packets distributed to the needy in the last one month in the wake of the novel coronavirus pandemic.

Volunteers, staff and members of the YMCAs have been providing food, household provisions and safety kits in collaboration with district and local officials in various areas, the National Council of the YMCAs of India said.

According to a statement issued by the organisation, volunteers also reached out to the homeless, and packag-

YMCA ration and food packets being distributed.

• SPECIAL ARRANGEMENT

es containing 5 kg wheat flour, 2 kg rice, one litre oil, sugar, pulses, salt and biscuits were distributed to families engaged as daily wage labourers, rickshaw-pullers and domestic workers.

"Our YMCAs work closely with the local community in their normal work on vocational education, sports and cultural activities. So, it is only natural that in such a time of national crisis, we should

lend a hand to the less privileged members of our communities," said Bertam Devadas, National General Secretary of the YMCAs in India.

### COVID-19

While the YMCA multi-sports complex project at Faridabad distributed food packets to a shelter home, the National YMCA Project, Vythiri, provided relief material to the tribal community. Similarly, around 500 COVID-19 safety kits were distributed to needy families across the Kanyakumari district by the YMCA Marthandam Project, said Mr. Devadas.

## वाईएमसीए बैरागढ़ ने बंजारा बस्ती में जाकर मदद की

भोपाल, (हिंदू दस्तक) संजीव/शिव।

जहाँ एक तरफ़ कोरोना वायरस जैसी महामारी से निपटने के लिए लोक डाउन किया गया है वहीं लोग डाउन की वजह से बहुत सारे लोग प्रभावित हैं। लोग अपना कामकाज और दिहाड़ी मजदूरी नहीं कर पा रहे हैं। ऐसे में उनके सामने खाने पीने की भी समस्या उत्पन्न हो गई है। लेकिन तमाम जरूरतों एवं प्रभावित लोगों की मदद करने हेतु वाईएमसीए बैरागढ़ जगह-जगह जाकर जरूरत का सामान बाँट रही है। वाईएमसीए बैरागढ़ के वाइस चेयरमैन अश्वय धनवद ने बताया की शहर के आसपास की के जरूरतमंदों की जरूरतों को प्रशासन एवं अन्य संस्थाओं के द्वारा पूरी की जा रही है। लेकिन अब भी हमारे क्षेत्र में दूर-दराब में ऐसे इलाके हैं जहाँ पर कोई मदद पहुँच नहीं पाई है। ऐसे ही कई बंजारा या धूम्र जति के लोग रह रहे हैं। जहाँ पर लोगों को ना केवल खाने पीने खाने की दिक्कत है बल्कि पीने का पानी भी

वहाँ पर उपलब्ध नहीं है। उन्होंने बताया कि यहाँ बंजारा बस्तियों से लोग आसपास पैदल जाकर दूसरे गांव से पानी लेकर अपना जीवन यापन कर रहे थे। लेकिन लोक डाउन की वजह से यह कहीं जा नहीं रहे। इसलिए पीने के पानी तक

की गंभीर समस्या खड़ी हो गई है। अश्वय धनवद ने बताया कि हमने अपनी संस्था के माध्यम से प्रशासन को अपील की है इनका कोई उचित प्रबंध किया जाए। यदि फिर भी कोई प्रबंध नहीं होता तो हमारी संस्था तुरंत प्रभाव से इन

बस्ती के लोगों हेतु पानी की व्यवस्था करवाएगी। उन्होंने बताया कि संकट की इस घड़ी में सभी को मिलजुल कर सहयोग और सेवा में जुट जाना चाहिए। तभी हम इस भयंकर महामारी पर विजय प्राप्त कर पाएँगे।

# EPILOGUE

Bertram Devadas  
National General Secretary

The Novel Corona Virus leading to COVID-19 was sudden and scary. Despite the constraint of financial resources, the YMCAs pan India responded in a befitting manner, which was both varied and community-driven. With its rich heritage of service, especially in times of natural and man-made crises over several decades, the YMCA displayed its response-ability with distinction.

The COVID-19 Report is a comprehensive coverage of the size and substance of the YMCA's proactive intervention over the last three months.

The YMCA closely coordinated its efforts in consultation with government authorities wherever possible. With fear and uncertainty all around, YMCA volunteers, leaders and staff ventured out to support the most vulnerable.

We have demonstrated before the world community what warm hearts and willing hands can do.

This issue is dedicated to the COVID-19 warriors who came out of their comfort zone to help those in need.
